

CAPABILITY STATEMENT

COMPANY OVERVIEW

Universkill Task Services LLC. specializes in delivering professional janitorial services tailored for government and commercial clients. Our comprehensive suite of offerings includes power washing, facilities maintenance, and small-scale remodeling. We cater to a diverse range of spaces, including offices, healthcare facilities, sports centers, manufacturing, warehouses, and industrial areas. Our team of certified professionals and trained crews are dedicated to providing flexible cleaning, sanitation, and maintenance solutions, ranging from daily to annual services.

DIFFERENTIATORS

At Universkill Task Services LLC, our differentiator lies in our commitment to excellence. We stand out by seamlessly integrating cutting-edge techniques and eco-friendly practices into our services, ensuring optimal upkeep for our clients' spaces. Our certified professionals bring a level of expertise that goes beyond the ordinary, meeting and exceeding the unique needs of each client. With a focus on efficiency, reliability, and a dedication to excellence, we contribute to creating clean, safe, and productive environments that positively impact our clients' success.
